

Merchandise & Annual Events Co-ordinator Report 2020 Season

Well, as you would expect, I've had a fairly quiet year! We have generated £8.30 in merchandise commissions which was generated from a few orders with the 2020 Anniversary logo and others. The club also provided club founder Arthur Shepherd with an anniversary polo shirt as thanks for establishing the club and we were delighted to see photo's of him "modelling" his top.

We also decided, as a Committee, not to proceed with the club calendar for 2021 due to the limited club activities there had been, and also due to the dwindling numbers of people interested in purchasing calendars.

On the annual events side, unfortunately the Christmas meal, awards night and "in person" AGM have all had to be cancelled due to Covid but fingers crossed we will be able to hold these again in the forthcoming year.

In the background I have helped set up the online voting for the AGM as well as providing the facility to purchase your membership via the club shop which the Chairman will mention further.

Keep safe & well and hope to get back out on the road soon, and meet up for some cake & coffee – even if it is socially distanced.

Mandy
